FRIENDS OF THE LIBRARY

The Board of Trustees recognizes the need for a total community involvement in providing quality library services and accepts the philosophy that Friends of the library are highly desirable since they provide an excellent bridge between the library and the community.

1. The recognized Friends of the Library organizations are:
 - a. The Friends of Paoli Library
 - b. The Friends of Tredyffrin Public Library
2. The Board of Trustees recognizes that these organizations are independent and self-supporting.
3. No Trustee may be a Friends Board member; and library staff may not be Friends Board members.
4. The Library Director, or designee, is the liaison to the Friends of the Library. Friends are kept informed of the libraries' plans, progress and challenges by the liaisons.
5. A library Trustee and a Friends officer are both welcomed and encouraged to attend the Board meetings of the other to foster communication between the Trustees and the Friends.
