LITERATURE DISPLAYS

The Tredyffrin Township Libraries (TTL) provides space in their facilities as a community service so that organizations may display and distribute materials.

TTL neither endorse nor sponsor the individuals or organizations that furnish the handouts displayed or distributed in the Libraries.

All materials must be given to a member of the TTL staff for consideration no less than one week prior to the desired display date. No poster, flyer, brochure or display may be placed in the library without the permission of the Library Director or their designee(s). Any items that are displayed/distributed without approval will be removed.

Priority will be given to any materials that promote TTL and its events and services.
