Supplies:

Ribbon 1/2 wide by 16 in long

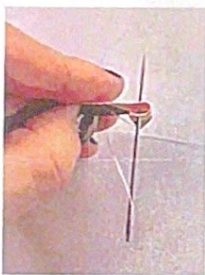

Large button

Rubber hair tie

Needle & Thread

Gather your supplies and thread your needle. Double your thread

1. Fold one end of the ribbon about 1/4 inch and sew across twice.

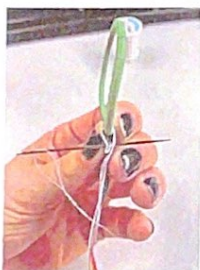

2. Sew through both pieces of ribbon back and forth. Do not cut your thread

3. Bring your hair tie through the ribbon as shown.

4. Pull hair tie to the end and fold over again. Sew again two times to secure the hair tie to the end of

5. This is what your sewing will look like. Front and back through ribbon but not through the hair tie.

6. This is what the hair tie end will look like.

7. Fold the other end of the ribbon twice. First fold 1/4 inch. Second fold a little bigger, 1/2 inch.

8. Sew across the seam edge to secure and create a clean edge.

9. Place you button at the end of this side of the ribbon. The end opposite the hair tie.

10. Sew you button to the ribbon. In one button hole and through the ribbon and back. I sewed 5-8 times to really secure the button.

11. Button is sewn on .

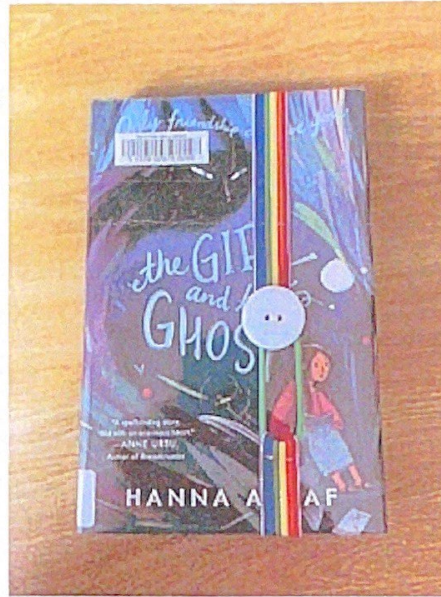

12. Wrong side of the button. It's ok if it is messy. You won't see this side.
